## SAFE ENVIRONMENT LESSONS

*The Archdiocese of Philadelphia's Commitment to the Safety of our Children*

Dear Parents or Guardians,

Article 12 of the Charter for the Protection of Children and Young People calls for all dioceses to establish Safe Environment programs at all grade levels, both in the Parish Religious Education Program and Parish Elementary School. The Archdiocese of Philadelphia provides a personal safety lesson for each level of the Parish Religious Education Program and mandates that this lesson is taught during one session of the instructional year. These lessons are intended to supplement the conversation that you are having with your children about their personal safety. The Parish Religious Education personal safety lessons known as "Keeping God's Children Safe" are posted at:

<http://phillyocf.org/safe-environment/>

**This form must be signed whether you wish to have your child participate in the lesson or not.** If you do not wish to have your child participate in the lesson arrangements will be made for your child's care and instruction on the day. Students should not be kept home from class. The lesson may last 15-20 minutes and all students will be expected to attend the rest of the session. The class will be held in the Spring of 2019.
