

Funeral Liturgy Streaming at Saint John the Baptist Church

In order to give the opportunity to those who cannot attend Church at the time of a Mass of Christian Burial, the parish is able to offer Liturgy streaming services.

If a family would like to have a Mass of Christian Burial live streamed, they should inform the funeral director while making arrangements for the funeral.

- Once informed of the request for live streaming, the parish will set up a YouTube link and will email a private link to a designated family member.
- Families and funeral directors can share the link via email and social media on personal or business accounts and pages.
- Individuals who desire to watch the Mass should go to the link and click on the link to open the page.
- The streaming will begin at least 5 minutes before the time Mass is scheduled to begin
- The video will be available for five days from the date of the Liturgy, and then will be removed at an unspecified time by YouTube.
- The Cost of streaming a funeral mass is \$75.00 and can be included in the fees for the Church through the funeral home.
